DRY

DRY is a family of luminaires with an eye-catching effect. The variety in shape and the combination of an illuminated rod with an optional panel make DRY a very decorative and a functional luminaire. Its versatility allows you to adapt it for various projects and to use the same product family throughout your interior, easily adopting it in every office, hospitality or residential project. Its specific shape delivers a double light effect.

ILLUMINATED ROD

The minimalistic basic option is available as a rotating illuminated aluminium rod, making it possible to direct the light to your chosen surface and create atmospheric scenes.

DECORATIVE PANEL

The upgraded option uses a decorative panel for an additional hidden light spot. You can choose from a variety of materials and covers, creating a sophisticated, but bold luminaire.

DRY is available in many installation options, like a pendant luminaire, stand-alone floor lamp or wall luminaire.
